

2027 New Enrolments

The Helensvale SHS Arts Department invites you to be part of the **Instrumental Music Program in 2027**

The Instrumental Music Program at Helensvale State High School is a vibrant and valued program of our school community. The Instrumental Music Program is a part of our curriculum offerings that musically minded (experienced and beginners) and gifted students can be involved in and where students receive instruction on their chosen instrument from our specialised Instrumental Music Teachers.

Our Instrumental Music Program includes tuition in strings, woodwind, brass and percussion during the school day, with each lesson being 35 minutes in duration. Our ensembles, which include String and Percussion Ensembles, Clarinet, Saxophone and Brass Ensembles, Wind Symphony, Concert Band, Big Band and our Stage Band, rehearse outside of school hours either before or after school and smaller ensembles during lunch. We offer exciting opportunities for students to compete in Fanfare, Music Eisteddfod, Creative Generations and to participate in Workshops, Band Tour or Camp just to name a few.

For students that do not own their own instrument, Helensvale State High School offers an Instrument Hire Program. Information can be supplied on this program at your request, please email Mrs Cindy Riemer at criem1@eq.edu.au if you require further information. Please note instrument hire is subject to availability.

If your student would like to participate in our Instrumental Music Program in 2027, please complete the Application Form and submit to Administration or scan and email criem1@eq.edu.au

Upon acceptance into the Instrumental Music Program, a **\$100 (annual levy)** will be invoiced in early 2027. If you require a school instrument, the **hire fee** will be **\$110 (annual levy)**.

We look forward to working with your child to further develop their musical talent.

Kind Regards

Cindy Riemer
