

Music Academy Expression of Interest

The Music Academy at Helensvale State High School will be taking a new shape in 2022. At this stage we are taking expressions of interest for this program, with further information required at a later date.

About the Music Academy

Our music program at Helensvale State High School has been a part of our school community for many years. The Music Academy class is a combination of classwork, own individual work, and active participation in an ensemble. Students in the program will have the opportunity to focus on their own individual skills as a performer and composer through practical and theoretical sessions. They will explore new genres, styles and instruments, and will learn how to use our recording equipment and other resources to arrange and compose their own original music. Students will participate in one of our many school ensembles which include: Strings Ensemble, Stage Band, Big Band, Wind Symphony, Concert Band, Choir and many more (entry into these ensembles will be determined at the start of the school year pending numbers and spaces). Through this class students have an opportunity to specialise in any instrument, electronic medium, voice or even as a composer but must be willing to perform.

Conditions of Expression of Interest

- I understand that this is only an expression of interest and does not guarantee that the Music Academy will run in 2022
- Further information will be required at a later date to formally apply for the program
