Principal's foreword

Introduction

This report contains a snapshot of the performance, priorities and activities at Helensvale SHS in 2015. It contains reflections on our progress towards pre-determined goals and details future priorities and the ways we will continually seek to improve our school and student learning outcomes. This report also contains a school profile, curriculum offerings, extra curricula activities, school learning climate information, staff qualifications and information on key student learning outcomes for the 2015 school year. Further clarification or information can be obtained by contacting the school Executive Principal Mark Blackshaw.

Our Learning Mission is **One Student, One Community, Many Futures**. This mission defines why we exist and aligns our strategic decision making and priorities.

One Student is about:

Creating a 'school for one' and personalising learning by catering for the learning needs, interests and aspirations of **every** student;

- Prioritising the connection between well-being and learning to provide for the emotional and social needs of our students;
- Every student engaging meaningfully and personally through our 'four pillars of opportunity' – Learning, Sport, The Arts and Community, to reach their full potential.

One Community is about:

Our school as an innovative learning community with an unrelenting focus on, and a commitment to, the learning of each student;

- Very high expectations for learning and behaviour and this is revered within our community; and
- Our school as a hub of learning in our community where our parents and carers feel welcome, supported, connected and frequently engage as partners to improve student wellbeing and learning.

Many Futures is about:

- Ensuring every student transitions from our school with a viable pathway to the future;
- Maintaining and growing diverse, deep and productive industry, tertiary education and community links, with our students being sought after by employers at a state and national level; and
- Our students consistently producing learning outcomes that are on par with the best schools in Queensland.

School progress towards its goals in 2015

Our school focused on actioning our Learning Mission of One Student, One Community, Many Futures with a focus on personalising learning (one student), connection with our parents and community (one community) and providing our students with multiple pathways and opportunities for success (many futures).

In 2015 we narrowed and sharpened our improvement priorities with our key priority to personalise learning to improve level of achievement, literacy and numeracy outcomes of each and every student. To achieve this we focused on a limited number of strategies described as our Big Five:

1. Whole school teaching of reading through Tactical Teaching of Reading
2. Learning Design Framework
3. Success for One Student (SOS) model to drive personalised learning across the school
4. Consistency and quality in curriculum planning
5. Assessment Quality

We continued to refine our NAPLAN performance and strategy with our students performing above State Mean on all strands and equal to National Mean on all strands. We continued to implement strategies to improve our mean scores in Reading, Grammar and Punctuation, Numeracy as well as our performance in Band 9 & 10 in Grammar and Punctuation and Numeracy.

We have seen consistent and significant improvement in student level of achievement results across a range of subjects. This has especially been evident in Junior English, mathematics and science.

Our senior school students continued to achieve strong results. We refined programs to ensure senior students gained optimum Overall Position scores (OP), Vocational Certification (VET) and Queensland Certificate of Education (QCE) results. We had a significant improvement in number and percentage of students achieving a QCE over 97 per cent and continued improvement in our OP performance with a significantly greater number of students achieving an OP of 1 to 10.

Through our Positive Behaviour for Learning (PB4L) we continued to engage in a whole school approach to behaviour management that focuses on explicitly teaching our learning values of Respect, Resilience and Responsibility. As a result we continued to see a decline in short term suspensions even though we had a significant increase in enrolment numbers with the introduction of Year 7 to high school.

Future outlook

The school's Strategic Plan for 2014 to 2017 and our current 2016 Operational Plan can be viewed on the school's website: <http://www.helensvaleshs.eq.edu.au>

In 2016 we are continuing with key elements on our 2015 strategy as we strive to embed these practices consistently in all classrooms. Our goal is to personalise learning and improve level of achievement, literacy and numeracy outcomes of each and every student. Our 2016 'BIG Five' Strategies are:

- Success for One Student (SOS)
- IMPACT learning
- Guaranteed and Viable Curriculum (GVC)
- Tactical Teaching of Reading (TTR)
- Student Voice (Goal Setting)

Our key targets for 2016 are:

Target Areas	Minimum Targets
Attendance	<ul style="list-style-type: none"> Overall attendance rate of 93% No more than 15% of students with less than 85% attendance
Level of Achievement	<ul style="list-style-type: none"> Years 7 to 11 95% of students in all subjects receiving a grade of C or better Year 12 100% of students in all subjects receiving grade of C or VET completion
Senior Schooling	<ul style="list-style-type: none"> 90% of OP recipients receiving an OP 1 to 15 98% of Year 12 recipients awarded a QCE 100% of Year 12 students awarded at least one of the following: a QCE, VET qualification (including SAT) or a QCIA 70% of Year 12 recipients awarded a Cert II or higher
Literacy and Numeracy (NAPLAN)	<p>Mean Scaled Score equal to like schools</p> <ul style="list-style-type: none"> Yr. 7 R 550, N 548 Yr. 9 R 578, N 592 <p>Upper Two Bands equal to like schools</p> <ul style="list-style-type: none"> Yr. 7 R 30%, N 27% Yr. 9 R 20%, N 23% <p>National Minimum Standard at 99%</p>

Our school at a glance

School Profile

Coeducational or single sex: Coeducational

Independent Public School: Yes

Year levels offered in 2015: Year 7 - Year 12

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2013	2094	1032	1062	54	95%
2014	2164	1056	1108	54	93%
2015	2503	1221	1282	66	92%

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2015, there were no students enrolled in a Pre-Prep program.*

Characteristics of the student body

Our student population is representative of the broader northern Gold Coast community. Approximately 50% of our students come from our local catchment area with the rest selecting to come to our school from neighbouring suburbs to access our quality Excellence Programs. Our school celebrates the diversity of ethnic backgrounds reflecting the community from which it draws. Our school celebrates Indigenous culture with approximately 3% of our students being from Indigenous backgrounds.

The school has a long tradition of supporting families within the school, with many generations of the same family attending the school. The school also has close links with neighbouring primary schools and families are often connected across sectors.

We have approximately 140 students who require special needs and receive support via our Special Education Unit. Most of these students are integrated into our general classrooms for parts of the school day and are provided with in-class support.

We also have a small group of approximately 15 international students learning at our school predominantly originating from Asia, South America and Europe. We support an international and inclusive focus at our school and our international students add to the richness of our school culture.

Average class sizes

Phase	Average Class Size		
	2013	2014	2015
Year 7 Secondary – Year 10	26	25	24
Year 11 – Year 12	21	20	21

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2013	2014*	2015**
Short Suspensions - 1 to 5 days	228	258	257
Long Suspensions - 6 to 20 days	13	1	1
Exclusions	4	7	12
Cancellations of Enrolment	0	5	2

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Curriculum delivery

Our approach to curriculum delivery

As Helensvale State High School is one of the largest high schools in the state, it supports a rich and extensive range of subject offerings. Our goal is to offer a personal learning experience for all students and deliver on our One Student, One Community, Many Futures mission by offering programs that cater for the different aspirations, interests and capabilities of our students.

Excellence programs:

- Academic Excellence “EXCITE” program focusing on English, maths, science and history
- Japanese Excellence;
- Arts Excellence programs in dance, art, drama and music; and
- Sport Excellence programs specialising in track and field, AFL, rugby union, touch, soccer and netball
- Education for Entrepreneurs (e4e)

Admission into these programs is competitive and based around student past performance, behaviour, testing/auditioning and interviews.

Broad Senior School curriculum:

We offer a range of QCAA-Authority subjects, QCAA-Registered subjects and nationally accredited Vocational subjects and Griffith University is a strong partner with our school across a range of programs. Vocational Educational and Training courses feature significantly, with a number of TAFE certificates on offer in the areas of construction, hospitality, business and information technology, childhood studies, theatre and recreational sport. The school is also a Registered Training Organisation (RTO) and employs a full-time Industry Liaison Officer for work placement and school-based apprenticeships and traineeships. The school hospitality program is consistently recognised in State awards. The school also offers additional qualifications to students from within and outside the school through involvement in the Northern Collegiate schools program.

Extra curricular activities

Our school offers a rich assortment of learning activities as part of our extra curricular program. These include:

- Academic activities including debating, public speaking, science, mathematics and other academic competitions;
- Leadership based activities including Year 11 mentoring of Year 8's, an active Student Council, Northern Collegiate Interschool Leadership Program, etc.;
- The full range of sporting competitions for general students as well as excellence students;
- Comprehensive visual and performing arts competitions, eisteddfods and performance nights (including biennial musicals);
- Information and communication technologies club and competitions;
- Involvement in international programs and Japanese sister school visits;
- Work experience, work placement, school based apprenticeships & traineeships;
- Involvement in Australian Business Week (ABW);
- Debating and mooting;
- School musical;
- Activities including World Challenge Trips, Kokoda Challenge, etc.; and
- Leadership, music and academic excellence camps.

How Information and Communication Technologies are used to improve learning

In 2010 planning began for our school to make the significant step to implement a 1 to 1 laptop program which moves computers out of labs and into the hands of our students. The program aims to:

- provide every student from Year 8 to Year 12 with the opportunity for a 'state of the art' high powered laptop to use 24 hours a day, 365 days of the year;
- enable our students to learn "anytime and anywhere" - in classrooms, playgrounds, at home, in the car, on holidays; and
- provide the complete learning package – a powerful device, the latest software, internet connectivity, on-site technical support, next day repairs, insurance, extensive at school wireless connection. durable business quality machines.

This program is helping transform how students are learning at our school. Learning needs to become more individualised, flexible, relevant, engaging and connected to the online world in which students live. Helensvale

High is striving to provide our students with the digital tools required and to prepare them for life and work in the future.

With the cessation of the National Secondary Schools Computer Fund our school has transitioned to a bring your own device program. The school is also working hard with the teachers to continuously upgrade and improve their knowledge and skills in the use of digital media and programs to enhance learning.

Social Climate

High standards of behaviour are maintained, school uniform is a priority and a whole-school focus on a “learning culture” through the explicit teaching of our learning values of Respect, Responsibility and Resilience drives a quality learning environment at our school. This is delivered through our Positive Behaviour for Learning Program (PB4L).

In addition, our school has appointed a Head of Department Positive Behaviour and a Dean is assigned to each year level. These positions further support students as staff have ownership of an identified group of students.

Our ongoing implementation of PB4L will provide a greater focus on our learning values of Respect, Responsibility and Resilience. A weekly ‘Futures’ program complements our traditional curriculum program and helps to promote students’ personal development. Two lessons each week are devoted to the ‘Futures’ program.

Helensvale High has a strong and well developed support services network. These services include: a full time school-based Youth Health Nurse, three Guidance Officers, Indigenous Support Officer, Learning Support staff, two School Chaplains and an Industry Liaison Officer.

As a result, 97% of our parents agree that their children feel safe at this school and 100% surveyed agree that this is a good school. 93% of students surveyed feel safe at our school and 96% believe that they are getting a good education at our school. 94% of staff say they enjoy working at this school and 98% of staff indicate that it is a safe place to work. There is strong student and community confidence in our school and strong demand for places in our school.

Parent, student and staff satisfaction with the school

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.
DW = Data withheld to ensure confidentiality.

Parent and Community Engagement

We foster continuous and open communication with our parents and carers by:

- Having a policy of open communication between teachers and parents;
- Using Facebook and other social media to regularly update parents;
- Regular parent information sessions;
- Strong parent participation in special events – e.g. Hospitality, Awards Ceremonies;
- Communication through a regular school electronic newsletter;
- Student progress is communicated through school report cards in terms two and four and in parent-teacher interviews in terms one and three. Parents are then able to arrange an interview with their child's teacher at all other times to discuss academic progress, social issues or other aspects of their child's education;
- Parents with particular knowledge and skills that support the curriculum are invited to participate as guest speakers or experts in their field e.g. authors, musicians and scientists;
- Inviting parents to Induction, Graduation and Awards Ceremonies;
- Year 10 parents and students are invited to attend the Senior Education and Training Plan (SETP) meeting to discuss their child's future plans and educational requirements;
- Our Indigenous families are encouraged to participate through our Indigenous Education worker who assists students and engages in family-liaison activities;
- Publishing and sending home each semester our colour brochure, *Helensvale Heroes*;
- Parent emailing system;
- Congratulatory postcards sent home; and
- Subject selection evenings

Students who require catch up or extension work are provided with intervention to assist their particular learning needs. Some of these students are provided with an Individual Curriculum Plan (ICP) and this is negotiated with the student and parent/carer.

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

The school discovered a significant water mains leak in 2013 that resulted in a substantial waste of water and a spike in reported water consumption. The leak was fixed and we achieved a dramatic improvement in our water efficiency rates to be back below 2011-12 levels.

The electricity usage has levelled out and has improved dramatically since 2011-12. The school will continue to work hard to reduce power and water consumption. We also recycle paper, toner cartridges and computing equipment etc., to reduce our environmental impact.

Years	Environmental footprint indicators	
	Electricity kWh	Water kL
2012-2013	546,099	23,909
2013-2014	567,471	2,268
2014-2015	612,297	3,706

*The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

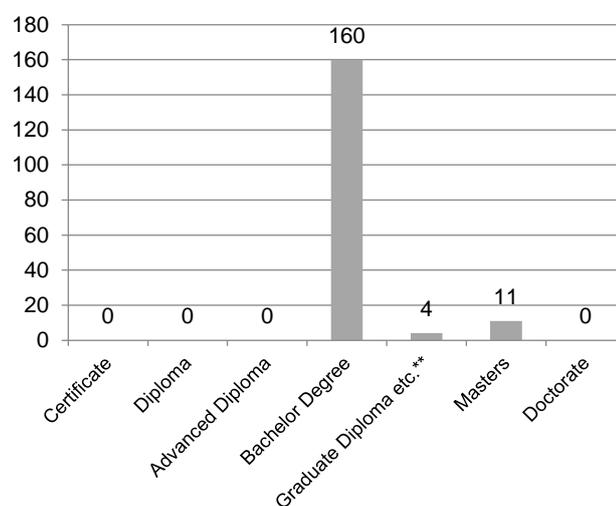

Our staff profile

Staff composition, including Indigenous staff

2015 Workforce Composition	Teaching Staff*	Non-teaching Staff	Indigenous Staff
Headcounts	175	81	<5
Full-time equivalents	166	60	<5

Qualification of all teachers

Highest level of attainment	Number of Teaching Staff *
Certificate	0
Diploma	0
Advanced Diploma	0
Bachelor Degree	160
Graduate Diploma etc.**	4
Masters	11
Doctorate	0
Total	175

*Teaching staff includes School Leaders

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2015 were \$113,417.00. The major professional development initiatives are as follows:

- Further PD on creating a Professional Learning Community and Professional Learning Teams were created to allow teachers to analyse student achievement data and reflect on teaching practice;
- Release time to create our guaranteed and viable curriculum;
- Assessment quality;
- Professional learning teams facilitation;
- Response to intervention professional development;
- IMPACT professional development session as a main part of our Learning Design Framework; and
- Teaching of reading across the school.

The proportion of the teaching staff involved in professional development activities during 2015 was 100%.

Average staff attendance	2013	2014	2015
Staff attendance for permanent and temporary staff and school leaders.	96%	95%	95%

Proportion of staff retained from the previous school year

From the end of the previous school year, 94% of staff was retained by the school for the entire 2015 school year.

School income broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Find a school

Where it says '**School name**', type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. Read and follow the instructions on the next screen; you will be asked to confirm that you are not a robot then by clicking continue, you acknowledge that you have read, accepted and agree to the **Terms of Use** and **Privacy Policy** before being given access to the school's *profile* webpage.

School financial information is available by selecting '**School finances**' in the menu box in the top left corner of the school's profile webpage. If you are unable to access the internet, please contact the school for a paper copy of income by funding source.

Performance of our students

Key student outcomes

Student attendance	2013	2014	2015
The overall attendance rate for the students at this school (shown as a percentage).	90%	89%	90%
The attendance rate for Indigenous students at this school (shown as a percentage).	86%	86%	86%

The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall attendance rate in 2015 for all Queensland Secondary schools was 90%.

Student attendance rate for each year level (shown as a percentage)

	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2013									92%	89%	89%	91%	91%
2014									92%	88%	88%	89%	91%
2015								92%	92%	89%	89%	90%	91%

*From 2013, the methodology used for calculating attendance rates effectively counts attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student attendance distribution

The proportions of students by attendance range.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

A class roll is marked during Roll class at the start of the day and class teachers mark a roll each lesson thereafter. Text messages are sent home each day for absence after the morning roll marking.

Letters are sent home once a fortnight for students with two or more absences or two or more times late to school. Letters for continued absence are sent home in accordance with DETE Policy for Managing Student Absence.

If a member of the administration believes the child is not attending school, a notice is issued outlining the parent's obligations under the Compulsory Schooling Requirement of the Education Act. A member of the school administration would seek to meet with the parent to discuss attendance concerns. If attendance does not improve, then a warning notice would be issued with referral to the relevant authorities.

Attendance of students in the post compulsory stage of schooling is reviewed on a regular basis.

In 2015 we continued with our 'It's Not OK to Be Away' campaign to focus efforts on improving school attendance rates. This proactive and positive approach is expected to achieve strong improvement results and underpins our belief that attendance is a key to learning achievement.

Students who achieve at least 99 per cent attendance each semester receive a Responsibility recognition award at our end of semester ACE Awards ceremony.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.

Post-school destination information

At the time of publishing this School Annual Report, the results of the 2016 post-school destinations survey, Next Step – Student Destination Report (2015 Year 12 cohort) for the school were not available. Information about these post-school destinations of our students will be uploaded to the school's website in September.

Early school leavers information

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12: Student retention is high due to the broad and diverse curriculum offered. There are a small percentage of students exiting the school prior to the completion of the compulsory participation phase of learning. Strategies are adopted to promote the completion of schooling and to ensure our students are earning and/or learning through the compulsory participation phase. These include engaging parents/carers with information and learning options and support services such as Guidance Officer, VET Co-ordinator, Industry Liaison Officer, Deputy Principal and external institutions such as TAFE, apprenticeship brokers or re-engagement for employment programs.
