

HELENSVALE STATE HIGH ACADEMY

Sport Academy Uniform: Key Information

The Sport Academy uniform is compulsory for Year 7 in 2022, with all other year levels moving to the new uniform by 2024.

Regardless of whether your student is joining the Football, Netball or AFL Academy, they will be required to have:

- **Sport Academy Uniform** – for year 7s, this can be worn on days they have their timetabled Academy class, as well as when they are travelling to and from Academy sporting competitions.
- **Playing kit/s** for their relevant sport.

We will also have a non-compulsory jacket for Sport Academy students to choose should they wish, which would replace the general soft shell jacket currently available to students. This Academy jacket is allowed to be worn with both their formal and Sport Academy uniform.

Your student will not be required to purchase the **general HPE uniform**, available to non-Sport Academy students.

AFL Academy

Compulsory

Playing Kit

Training Kit

Optional (Away Kit)

Football Academy

Compulsory

Playing Kit

Training Kit
